## 1. Staff work year calendar and calculating total educator time

The calendar tool is built to give schools flexibility on the types of days (known as ‘day types’) that their school will follow during the following school year. The calendar tool correctly determines the total hours and salary based on calculations aligned to our Collective Bargaining Agreement (CBA). Student and staff calendars are then generated based on the information entered in Tab 1 of the calendar tool. The decisions made on the calendar tool will then become the school-specific Educator Working Conditions. This template will extract educator hours to provide everyone with a clear understanding of what is expected for total educator hours for the upcoming school year.

### Part 1: School year hours

These hours reflect “**school year hours**” which is 180 days of instruction with students plus any professional development days during the school year (traditionally 3) and the 5 days of August professional development that occurs just before students begin the year.

			Grades 6-8		
	Day Type	Staff Category	Start time	End time	Hrs:Min
1.	Regular Day for Students and Staff	Regular Day	7:15 AM	3:10 PM	7:55
2.	Early Release for Students and Staff	Staff Early Release	7:15 AM	11:45 AM	4:30
3.	Regular Day for Students / Extended Afternoon Staff PD	Regular Day + PD	7:15 AM	4:00 PM	8:45
4.	No School for Students / Full Day Staff PD	Full Day PD	8:00 AM	3:00 PM	7:00
5.	Regular Day for Students/ Extended Afternoon Staff - Parent Conferences	Regular Day + PD	7:15 AM	3:45 PM	8:30
6.	Regular Day for Students/Extended Afternoon Staff - Extra Help	Regular Day + PD	7:15 AM	3:45 PM	8:30

### Part II: Additional educator hours

Teachers may be required to participate in professional development activities, or student-related activities throughout the school year, including before and after the school day for students, and before or after the school year starts and ends.

These hours will be included in the total educator work hours and payment will be calculated into an educator’s annual compensation. This does not preclude teachers from independently scheduling individual parent-teacher meetings or other meetings as needed. Because compensation varies before the ‘traditional’ start of school, which in SY 22-23 is August 22nd, please be sure to use the correct table to record (and transfer) events from your calendar tool into this document.

#### A. Summer Events Prior to August 22nd

Event Description	Date/Time	# of Staff Hours in gr. 6-8
None	N/A	N/A
TOTAL ADDITIONAL SUMMER HOURS BEFORE 8/22/22		0 hrs

#### B. Other Events on or After August 22nd

Event Description	Date/Time	# of Staff Hours in gr. 6-8
Family Event #1 Open House	10/4/2022	2 (4:00 - 6:00 PM)
<b>TOTAL ADDITIONAL SUMMER HOURS ON OR AFTER 8/22/22</b>		2 hrs

### **Part III: Total educator hours**

The total educator hours are a combination of “school year hours” and planned “additional events” that require educators’ presence that fall outside of the typical workday.

The calendar tool automatically calculates these numbers based on your day types so no additional calculations are needed. If you have a strictly a 6-8 or a 9-12, feel free to leave the row that does not apply blank. Schools with educators in grades 6-12 should use both rows as time requirements may differ. Either way, this information is coming directly from your school’s calendar tool.

Hours	Summer PD Hrs	School Year Hrs	Other Events	Total Hrs	Day Count
Gr. 6-8 Staff Hours	0	1496	2	1498	188

## **2. Staff workday**

- Teachers will receive a 30-minute duty-free lunch
- Educators will have – at minimum - the equivalent of 350 minutes over ten consecutive school days of self-directed preparatory time. These minutes will be allocated across the ten days as evenly as the schedule permits. Schools will strive – as the schedule allows – for educators to have no more than one day each week when the educator does not have self-directed preparatory time. This self-directed time can be used to plan, grade, collaborate with colleagues, etc. In extenuating circumstances, teachers may be asked to perform some duties during this time. On that day, the teacher must have an equivalent non-instructional period.

In addition to traditional responsibilities in a typical workday, all staff may be expected to be involved in educational and administrative activities that are necessary to fulfill the mission of the school. These activities may include, but are not limited to:

- Phone calls to families about the academic/behavior progress of students (hours are already built into the calendar for specific Tuesday’s of each month;
- Preparation of individual student weekly reports, progress reports, and report cards;
- Working regularly with school administrators and colleagues to improve one’s instructional practices;
- Checking homework on a daily basis;
- Attending student-related meetings including, but not limited to IEP, 504
- Serving as a mentor to a small cohort of students;
- Participate in staff recruitment and hiring processes.

## **3. Additional staff duties**

### **A. During the Workday**

During a typical Monday-Friday school day work week, all staff members are expected to perform additional duties that the Principal and the TLT have determined are necessary to fulfill the school’s mission, operations, safety, and overall improvement efforts. This may include coverage of homeroom, community building or safety-related activities, including, but not limited to (examples are below but a school can customize):

- Types of tasks educators may be asked to perform may include coverage of lunch, coverage of break periods, safety-related assignments. All efforts will be made to avoid teacher prep time or counseling services to students;
- Substitute coverage of classes and duties of others who are absent from school;
- Development and maintenance of hallway bulletin boards

- Staff will video record themselves teaching a one-block period a minimum of 3 times between September 1, 2022 and March 31, 2023 to be used exclusively for training and coaching. Not to be used for evaluation.

**If a teacher is asked or directed to perform these duties during the contractual lunch break, self-directed preparation periods or during collaboration time, they shall be compensated at \$35 per/hour/occurrence.**

#### **B. After School Support for Students**

Teachers will work after school each week - on specific Thursdays throughout the school year - to provide after school help to students. There are 25 Thursdays for after school help that are already built into the school calendar and the educator hours for after-school help are also already built into the school calendar and accounted for in total educator hours.

#### **4. Professional learning**

Teachers are required to participate in professional development activities throughout the school year, including before and after the school day for students, and immediately before or immediately after the school year starts and ends as outlined in section 1 above from the calendar tool. Most professional learning activities should be connected to TLT identified priority levers and the capacity and skill building needed to help the school reach their improvement goals.

All staff members are expected to participate in professional development, collaboration activities and/or PLC meetings, unless otherwise directed by the principal.

#### **5. School curriculum issues**

The school's curriculum will be aligned with the Massachusetts State Curriculum Frameworks and receive a high rating for quality and rigor as defined by [Edreports](#). In instances where highly rated curriculum is not available, teachers may be asked to assist in developing new and improved curricula for their own use and that of other teachers in the building. To the extent possible, teachers will be made aware of curriculum changes in advance and will have an opportunity to provide feedback.

#### **Schools working to improve curricular offerings please describe here:**

We're hoping to find and adapt a SEL curriculum - Character Strong - social & emotional learning curricula and professional learning services that positively impact lives by providing support to students beyond just academic support.
---

#### **6. Notices and announcements**

Teachers will be notified in advance of special events which will involve students such as Zone, district, or school mandated assessments, health testing, assemblies, etc. Classroom interruptions for notices or public address announcements will be kept to an absolute minimum.

#### **7. School health and safety issues**

The school will make every effort to provide appropriate materials, space, and technology to support effective teaching and learning. Security of school premises will be maintained. Visitors to the school will be required to check in upon entry and all members of the school community are expected to monitor visitors without badges and immediately report these instances to the main office or security desk.

Every effort will be made to mitigate painting or repairs to buildings while school is in session, to avoid distractions or interruptions to student learning.

#### **8. Staff dress code**

Staff are asked to dress professionally for a school setting. Excessively casual clothing such as ripped jeans, revealing clothing, leggings (unless covered by other garments), tank tops, beach wear, and flip flops is not permitted.

## **9. Class size**

Efforts are made to ensure a reasonable class size for students and teachers. Class sizes may be differentiated, to support student learning and teacher development and/or to support a school's specific model (e.g.,co-teaching, dual language, etc.).

## **10. Bulletin boards**

The Springfield Education Association (SEA) will be provided a clearly designated bulletin board for the purpose of posting Association-related notices and other materials. Such space will be provided in each building for the exclusive use of the Association.

## **11. Family-teacher communication**

Relationships between teachers and families/caregivers are critically important to the overall academic success of a student's school experience. Teachers may be required to make regular phone calls to families about the academic progress of students, as well as respond to family inquiries via email, phone or in-person meetings throughout the school year. Teachers are not required to respond to families outside of the work week.
