

are you a girl; femme; or
gender-expansive youth of
color who...

...often feel unheard and want to find
healthy ways to advocate for yourself?

...desire sisterhood and mentorship?

...often labeled as "loud", "talkative", having
an "attitude problem", or "disrespectful"?

...want to learn healthy coping
skills?

...from underserved and financially
exploited communities known as "the
hood"?

...want to learn strategies and skills to
change your financial situation?

if you answered yes to any,

HOMEGIRLS

a safe space for girls, femmes, and gender expansive youth of color from the Hood

HomeGirls: Summer Series is a Summer program dedicated to creating a safe space for us.

HomeGirls will expose us to healthy ways of being while also affirming our identities.

HomeGirls will provide opportunities for mentorships and financial literacy support.

HomeGirls will expose us to new adventures, new people, and new levels of self-love.
