

This SY' 26-27 school plan has been approved at the building-level by the Principal and Teacher Leadership Team, and is final pending SEZP Board approval later this school year.

Kiley Prep

2026-27

School Plan

- Full Day PD from 8:00am-3:20pm

1. Staff work year calendar and calculating total educator time

The calendar tool is built to give schools flexibility on the types of days (known as ‘day types’) that their school will follow during the following school year. The calendar tool correctly determines the total hours and salary based on calculations aligned to our Collective Bargaining Agreement (CBA). Student and staff calendars are then generated based on the information entered in Tab 1 of the calendar tool. The decisions made on the calendar tool will then become the school-specific Educator Working Conditions. This template will extract educator hours to provide everyone with a clear understanding of what is expected for total educator hours for the upcoming school year.

Part 1: School year hours

These hours reflect “**school year hours**” which is 180 days of instruction with students plus any professional development days during the school year (traditionally 3) and the 5 days of August professional development that occurs just before students begin the year.

			Grades 6-8		
	Day Type	Staff Category	Start time	End time	Hrs:Min
1.	Regular Day for Students and Staff (M, W, Th., F)	Regular Day + 3:20pm release	7:15 AM	3:20 PM	8:05
2.	Regular Day + PD (Tu.)	Regular Day + 4pm release	7:15 AM	4:00 PM	8:45
3.	Early Release for Students and Staff	Staff Early Release	7:15 AM	11:45 AM	4:30
4.	No School for Students / Full Day Staff PD	Full Day PD	8:00 AM	3:20 PM	7:20
5.	Early Release for Students / Afternoon PD	Student Early Release + PD	7:15 AM	3:20 PM	8:05
6.	Summer PD (pre-Aug 17th)	Summer PD	8:00 AM	3:20 PM	7:20

Part II: Additional educator hours

All Unit A educators may be required to participate in professional development activities, or student-related activities throughout the school year, including before and after the school day for students, and before or after the school year starts and ends.

These hours will be included in the total educator work hours and payment will be calculated into an educator’s annual compensation. This does not preclude educators from independently scheduling individual parent-educator meetings or other meetings as needed. Because compensation varies before the ‘traditional’ start of school, which in SY 26-27 is August 17th, please be sure to use the correct table to record (and transfer) events from your calendar tool into this document.

A. Summer Events Prior to August 17th

Event Description	Date/Time	# of Staff Hours in gr. 6-8
N/A	N/A	N/A
TOTAL ADDITIONAL SUMMER HOURS BEFORE 8/17/26		0 HRS

B. Other Events on or After August 17th

Event Description	Date/Time	# of Staff Hours in gr. 6-8
Open House	September 22, 2026 (4-5:30pm)	1.5
TOTAL ADDITIONAL SUMMER HOURS ON OR AFTER 8/17/26		1.5 HRS

Part III: Total educator hours

The total educator hours are a combination of “school year hours” and planned “additional events” that require educators’ presence that fall outside of the typical workday.

Hours	Summer PD Hrs	School Year Hrs	Other Events	Total Hrs	Day Count
Gr. 6-8 Staff Hours	15	1515.167	1.500	1531.333	188

2. Staff workday

Hours of school operations include daily start and end times for students and educators. Schedule for staff and students provided that all educators will continue to receive duty-free lunch and regular student-free preparatory time. Decisions of TLTs can not override the standard contract language below:

- **Duty Free Lunch - Standard Contract Language**
 - Each educator will be provided with an uninterrupted thirty (30) minute duty free lunch period. Except in emergency or extenuating situations, educators shall be permitted to leave the school building during their 30-minute scheduled lunch period with advance notice of the principal or his or her designee and with the completion of a signed In and Out log.
 - In an emergency, educators who volunteer to provide lunch coverage during their own duty-free lunch period will be compensated at the rate set in Appendix B.
- **Prep Period - Standard Contract Language**
 - Educators will have – at minimum - one self-directed 40-minute preparation period per day. This self-directed time can be used to plan, grade, collaborate with colleagues, etc. In extenuating circumstances, educators may be asked to perform some duties during this time. On that day the educator must have an equivalent non-instructional period. Whenever possible, educators should be given priority access to their own teaching space during preparation periods. If an educator cannot have access to their own teaching space during preparation periods, every effort will be made to provide a functional working space.
 - In service of a unique program (e.g. an adjunct professor teaching early college), an educator may not have – at minimum - one self-directed 40-minute preparation period per day. This aspect of the educator schedule will be clearly noted in the respective job posting. Additionally, educators in these positions will be notified of any changes to their schedule, prior to the transfer window.

In addition to traditional responsibilities in a typical workday, all staff may be expected to be involved in educational and administrative activities that are necessary to fulfill the mission of the school. These activities may include, but are not limited to:

- Phone calls to families about the academic progress of students;
- Preparation of individual student weekly reports, progress reports, and report cards;
- Working regularly with school administrators and colleagues to improve one’s instructional practices;
- Checking homework on a daily basis;
- Attending student-related meetings; and
- Serving as a mentor to a small cohort of students;
- Participate in staff recruitment and hiring processes.

3. Additional staff duties

A. During the Workday

During a typical Monday-Friday school day work week, all staff members are expected to perform additional duties that the Principal and the TLT have determined are necessary to fulfill the school’s mission, operations, safety, and overall improvement efforts. This may include coverage of homeroom, community building or safety-related activities, including, but not limited to (examples are below but a school can customize):

- Types of tasks educators may be asked to perform may include coverage of lunch, coverage of break periods, safety-related assignments. All efforts will be made to avoid teacher prep time or counseling services to students;
- Substitute coverage of classes and duties of others who are absent from school;
- Development and maintenance of hallway bulletin boards

If an educator is asked or directed to perform these duties during the contractual lunch break, self-directed preparation periods or during collaboration time, they shall be compensated at \$35 per/occurrence.

B. Afterschool Support for Students

All Unit A educators will work after school each week to provide after school help not exceeding 0 minutes per week.

4. Professional learning

All Unit A educators are required to participate in professional development activities throughout the school year, including before and after the school day for students, and immediately before or immediately after the school year starts and ends as outlined in section 1 above from the calendar tool. Most professional learning activities should be connected to TLT identified priority levers and the capacity and skill building needed to help the school reach their improvement goals.

All staff members are expected to participate in professional development, collaboration activities and/or PLC meetings, unless otherwise directed by the principal.

5. School curriculum issues

The school's curriculum will be aligned with the Massachusetts State Curriculum Frameworks and receive a high rating for quality and rigor as defined by [Edreports](#). School curriculum decisions maintain educators' ability to scaffold grade level curriculum to meet students' needs.

6. Notices and announcements

Unit A educators will be notified in advance of special events which will involve students such as Zone, district, or school mandated assessments, health testing, assemblies, etc. Classroom interruptions for notices or public address announcements will be kept to an absolute minimum.

7. Bulletin boards

The Springfield Education Association (SEA) will be provided a clearly designated bulletin board for the purpose of posting Association-related notices and other materials. Such space will be provided in each building for the exclusive use of the Association.

8. Family-educator communication

Relationships between educators and families/caregivers are critically important to the overall academic success of a student's school experience. All Unit A educators may be required to make regular phone calls to families about the academic progress of students, as well as respond to family inquiries via email, phone or in-person meetings throughout the school year. Educators are not required to respond to families outside of the work week.

It should be noted that, starting in the school year 2026-27, each school must offer a line of communication between educators and families (Power Teacher, Kickboard, Class Dojo, etc.). This line of communication must be primarily maintained by administration or a designated appointee.

9. TLT elections for the next school year

Teacher Leadership Teams play an essential role in planning and decision-making in SEZP schools. While the TLT itself is a permanent body, the composition and dynamics of the team will change annually as individual TLT members' terms expire, and new members are elected. It is important that TLT elections take place in a timely fashion at the beginning of each school

year to ensure the TLT can operate effectively on a continual basis. For the coming school year, our TLT elections (for any open positions) will be held on 09/08/2026.

Ways in which the faculty was engaged in Phase 1 of School Planning:

- TLT members presented mid-year data to the faculty at the February staff meeting
- TLT members met with the educators they represented and brought their thoughts and ideas to a TLT meeting to refine the draft of the Phase 1 templates (educator working conditions, priorities, calendar).
- TLT created an educator survey to ensure all staff was able to provide feedback

Priority 1

Selected Lever: Level 2

Text of Lever: Coherent Actions for Improving Assurances for Educational Equity, which include the following:

- Instructional Leadership for Equity
- Curriculum and Instruction
- Feedback System for Building Educator Capacity

What is our most concerning data, and what are some working theories of what needs to improve to drive better results?

Data:

- 56.3% of Tier 2A and 2B students met projected growth goals in Math according to Winter NWEA MAP midyear results. This is an increase from our 2024-25 midyear results of 51.2%, however it is still below the 60% target.
- 60% of Tier 2A and 2B students met projected growth goals in ELA according to Winter NWEA MAP mid-year results.
- 49.5% of Emerging Bilinguals and Exceptional Learners met projected growth goals in ELA according to Winter NWEA MAP mid-year results. This is a decrease from 2024-25 mid-year results of 54.9%.
- 40.2% of Emerging Bilinguals and Exceptional Learners met projected growth goals in Math according to Winter NWEA MAP mid-year results. This is a decrease from 2024-25 mid-year results of 55.7%.

According to our SQR results: *“Kiley Prep leaders and teachers have made meaningful strides toward fostering student ownership of learning. While ownership is not yet consistent across all classrooms, teachers, students, and leaders all described intentional shifts toward discourse, peer collaboration, and productive struggle....While implementation is currently uneven, the collective efforts of leaders, teachers, and students show that with continued emphasis on peer-led discourse, structured opportunities for academic struggle, and consistent use of strategies across content areas, Kiley Prep is well-positioned to deepen this work so that all students demonstrate ownership of their thinking every day”.*

Working Theory: Kiley Prep has established a clear and consistent vision that promotes the indicators “2a Outcomes for All”, “2b Student Ownership”, and “2d Analyze Student Demonstration of Learning”. This vision drives our professional learning and feedback systems. Based on our qualitative and quantitative data, instructional best practices that lift the vision and support student learning are not implemented consistently across all classrooms. This particularly impacts math, bilingual and exceptional learners. If we continue to build educator capacity in the key aspects of our vision: effective questioning, peer led-discourse, targeted student feedback, and structured opportunities for productive struggle across all classrooms, we hope to see consistent gains across all categories of learners.

What questions or information will be needed to refine your theory of action and set goals in this priority area?

- How can each of the school teams (leadership, TLT, content, grade level) work to support this priority?
- What are the most impactful instructional strategies we will leverage schoolwide?
- How can we build teacher capacity through professional development and weekly PLC so that we observe consistency across all classrooms in the following: intentional questioning, peer led discourse, targeted student feedback, and structured opportunities for productive struggle?

Priority 2

Selected Level: Level 4

Text of Level: Equity Focused, Inclusive School Culture for Students, Families / Caregivers, and staff

- Adult Culture and Learner's Stance
- Clear and Consistent Student Culture

What is our most concerning data, and what are some working theories of what needs to improve to drive better results?

Data:

- Kiley Prep chronic absences as of January 29th are at 30.5% which is a decrease of 31.0% from 2025
- Kiley Prep's suspension rate as of January 29th is 6.7% which is a decrease from 14.8% from 2025
- Kiley Prep's average daily student attendance as of January 29th is at 91.2%
- TNTP Teacher Insight Survey: In the domain "Learning Environment" the average SEZP Zone highest percentile is 7.2, Kiley Prep educators rated the domain a 6.4.
- According to the TNTP Teacher Survey only 48% of Kiley Prep educators agreed with the following statement: Across my school, there are consistent expectations and consequences for student behavior.
- Our internal data (Dean Behavior Trackers, classroom calls to the office, formal and informal learning walks, educator coaching & feedback, and teacher feedback) indicates that educators need support to implement "4e Clear and Consistent Student Culture".

Working Theory: If we strengthen our Tier 1 behavior supports within our MTSS framework and build educator capacity in culturally responsive and restorative practices to ensure predictable and consistent classroom management then we can decrease student removals from class and increase student engagement, productivity, opportunities for productive struggle, and student discourse leading to higher expectations for all students and accelerating academic performance.

What questions or information will be needed to refine your theory of action and set goals in this priority area?

- When comparing the data, we identified a decrease in student suspensions and an increase in overall attendance. However we also tracked an increase in student removal from the classroom based on disruptive behavior. What are the root causes and antecedents?
- What systems will we develop to ensure MTSS Tier 1 behavior supports are implemented with fidelity and students are not removed from instruction prematurely?
- How will counseling support align with classroom practice so that behavior strategies strengthen teacher effectiveness rather than operate separately?
- What systems will ensure consistent implementation of Tier 1 behavior expectations across classrooms?
- How will we monitor classroom removals by teacher, grade, students with disabilities, and multi-lingual learners to identify patterns?
- What interim data will tell us that restorative and culturally responsive strategies are reducing removals before suspension data shifts?

SEZP's Summer Learning Design Principles:

1. Focuses on equity and develops expectations for a culturally responsive climate
2. Engages students and family/caregivers' voice in summer learning design elements
3. Focuses on students' social emotional and academic needs
4. Encourages attendance through creative program design
5. Elevates relationships, enrichment and addresses unfinished learning
6. Leverages community assets and provide a mix of academics, enrichment, and social-emotional learning
7. Aligns with priorities and goals from Phase I and Phase II school planning documents (where applicable)
8. As TLTs are reviewing data for school planning, connect future goal setting to summer learning for students and engages the school community to consider appropriate programming
9. Reminder: low-incidence programming and traditional summer school academy dates must align
 - a. Particularly important for schools who purchase SPS Special Education services as the District will determine the summer schedule.

As a starting point, please look through [this linked document](#) for Summer Academy logistics and operational timelines to help guide you in completing your schools' summer learning plan template below.

Summer 2026 Learning Plan for: Kiley Prep	
INITIAL SUMMER PLANNING	
Summer Coordinator	Name: Catherine Maccini Phone: (413)427-8573 Email: Maccinic@springfieldpublicschools.com
Summer Plan Logistics	Summer Program Dates + Days of Week: July 6th -July 30th, Monday-Thursday
	Type of Program: Early Start + Extended Year <input type="text"/>
	Plan for Rising Students (6th/ 9th graders). Please describe your plan below after analyzing historical school-level data: Rising 6th: Attendance data from Kiley Prep's feeder elementary schools indicate a high percent of chronic absenteeism. Our goal is to target students with chronic absenteeism and missed learning. We also want to identify students that are 2 to 3 grade levels below iReady reading scores in order to implement Core Literacy strategies. Rising 7th: Attendance, final grades, and behavior logs will be used to identify rising 7th graders that need academic and social support over the summer in order to be successful in 7th grade. The summer program will be anchored around "habits of success" so that students begin to define what student ownership looks like at each grade level. Our ELA classes will focus on explicit reading instruction and cognitive strategies to self-monitor comprehension. Our math classes will focus on grade level priority standards and skills. Teachers will utilize aggressive monitoring to gather in the moment data to identify target mastery, student misconceptions, and re-teaching opportunities. Teachers will provide opportunities for students to set goals and reflect on growth and success.
	Student Start Time: 8:00am
	Student Dismissal Time: 1:30pm
	Lunch Time: 11:05-12:25pm
	Busing Required (Y/N)? Yes, for low-incidence students ONLY
	Estimated # of Students: <ol style="list-style-type: none"> 1. Gen ed student estimate = 100 total - 50 (rising 6th), 50 (rising 7th) 2. Low-incidence student estimate by program: <ul style="list-style-type: none"> - SEBS = 15

DRAFT PENDING SEZP BOARD APPROVAL

	- Life Skills = 8
	Estimated Total # of Student Learning Hours: 1. Gen ed student estimate = 80 Hours 2. Low-incidence student estimate by program: - SEBS =80 Hours - Life Skills =80 Hours
	Total # of Classrooms Needed: 1. Gen ed student estimate = 8 2. Low-incidence student estimate by program: - SEBS = 2 - Life Skills = 1
	Total # of Teachers Needed 1. Gen ed teachers 4 2. Special ed teachers by Low Incidence Program - SEBS = 1 - Life Skills = 1
	Total # of Paras Needed 1. Paras by Low Incidence Program - SEBS = 1 - Life Skills = 1
	Total # of students estimate that require related services during ESY: N/A
	Shared Facility Needs (i.e. cafeteria, gym,): Gymnasium, Cafeteria, Auditorium
OITA Programs/Apps Needed: Freckle
